Forecast for Monday 28 Sep 2020

Weather: Dry, bright start with some sunshine. Thickening cloud coming in from the west but only producing the odd patch of light rain over the Perthshire hills around the middle of the day before dying out. Sunny spells returning during the afternoon with a clear evening to follow.

Chance of cloud free mountain/hill tops above 800m: 90% reducing over the Perthshire hills for a time around middle of the day as cloud bases lower briefly to about 700m.

Visibility: Good or very good for much of the time, briefly misty in any light rain over Perthshire hills.
